Dear

Welcome to Thornbury Theatregoers! We hope that you have many enjoyable trips with us. Our policy is to book the best possible seats, preferably in the stalls. We have no annual subscription but there is a one-off joining fee of £10*, to help with administrative costs. Membership is reviewed annually and renewed free of charge for members who have attended any events in the past year. Ticket prices will include the coach fare and driver's gratuity. In order to protect ourselves and make the venture a pleasure, not an administrative and financial nightmare, there are certain understandings.

Money must be paid by the given date otherwise tickets cannot be booked.

Programme changes and cancellations:- Venue managements reserve the right to change performances and we cannot be held responsible for these changes nor can we make any refund unless one has been offered by the venue. You will be informed of any changes should time allow. We also reserve the right to cancel a trip if bad weather makes the journey inadvisable.

Tickets will be distributed on the coach to avoid loss.

Refunds and resales:- Bookings are firm once you have booked and paid. We will be unable to exchange reservations for other dates or make refunds. If you cannot go, we will do our best to resell the tickets on your behalf, either to other members on the waiting list or to the theatre but this is not always possible.

The only pick-up point for Cheltenham trips will be outside Gillingstool Primary School at 6.00pm.** Cars can be left at Rock Street carpark. For Bath and Bristol trips, there will be an extra stop at 6.10pm at The Masons Arms at Rudgeway. "Awaydays" to Malvern and Stratford will be from Gillingstool.

We hope you enjoy many hassle-free theatre trips!

Yours sincerely

Rosemary and Jackie
